

NEW ARCHERY PRACTICE

Archery practice will commence the second Wednesday of each month at 6pm.

Use the benefits of being able to practice indoors at night and out to 40 metres.

Currently practice is open to experienced and equipped archers.

Compound or traditional bows.

Broadheads allowed but must bring and use own targets.

Enclosed footwear must be worn.
The temperature in the range is the same as outside so if it is cold dress accordingly.

All range rules to be followed and a Range Safety Officer will conduct the practice.

Cost \$24.00 per person,
if SSAA members bring their rifle on the night they will receive a complimentary rifle shoot.
