

New member with current pistol licence

If you currently hold a H Class licence you will need to satisfy one of the following criteria;

- ***You hold a class H licence and you are currently a member of another club, your membership with another club has just expired or is just about to*** – with your membership application forms you will be required to submit a letter from your Club Secretary on letter head confirming that you have been shooting and meeting the NSW Firearms Act requirements.
- ***You hold a class H licence but haven't been a member of a pistol club for more than 12 months***– You will need to complete a Pistol Safe Handling Course. Courses are generally held mid-week (Wednesday/Thursday) and on a weekend. The cost is \$380.00.
- ***You hold a Probationary Pistol Licence, are in the second six months of your licence and are a current member of another club*** – The Committee will accept your membership after you have been assessed for safe handling. If it is determined that you need more training you will be required to attend. Please keep in mind that you must have proof that you have completed a safe handling course and that you have completed three club shoots with the club that you are about to leave – you will be required to provide this to the NSW Firearms Registry. We cannot provide you that paperwork here at St Marys unless you complete our safe handling course.
- ***You hold a Probationary Pistol Licence, are in the first six months of your licence and are a current member of another club*** – We prefer you stay with your current club until you are in your second six months or you complete our safe handling pistol course.
- ***You are a member of the Defence Forces or Police*** – All non-licenced members must complete the safe handling course.

For further information please contact our Club Administrator, Navany Tang, on 8889 0410 or pistol@stmarys.ssaa.org.au.
