

Welcome to Summer,

The last 2 months has seen the return of the calendar and a Welcome Back assessment for our Members in Training.

Members in Training

The Welcome Back assessments were undertaken in readiness for the Novice and Trainee events returning in December. Thank you for your patience during October and November. The assessment activity was a large undertaking lead by the St Marys Indoor Shooting Centre Instructors and RSO's. There were 192 Members in Training to be assessed and getting through most of them over the last 2 months is a good news story. Thank you to Ali and her team.

Members in Training who have progressed through the assessment will now be able to attend Novice and Trainee events starting December.

Attendance Policy Update

The St Marys Attendance Policy exemption for 2020 was reviewed in the November committee meeting. The outcome is that the SMPC Attendance Policy Exemption stays in place until further notice. Members are not required to attend the range, however, are most welcome and encouraged to attend the Calendared events or shoot in their own time at the Centre.

The exemption will be reviewed in future meetings and will advise any updates via the newsletter.

SMPC Annual General Meeting

The 2020 AGM was not able to be held due to social distancing guidelines. In line with SSAA Sydney Branch, SMPC has been granted an extension of time by the NSW Department of Fair Trading to conduct the 2020 and 2021 AGMs together in 2021. SMPC will provide and update when the new date is confirmed.

Admin Office Update

The SMPC Admin Office is open Monday, Wednesday, and Friday of each week. During December/January it will also be closed from 21/12 to 08/01. Please use email as the primary communication method, there may be a delay in responding during this time.

Update from St Marys Indoor Shooting Centre – Ali Newbery

I hope everyone is doing well, and it has been great to see some of you at the pistol shoots again.

As of 23 November, it is mandatory all visitors to the Centre be electronically recorded. All shooters are recorded when they sign but if you bring a friend or family member along and they aren't shooting, they must sign in at the front counter, we will only record their name and contact phone number.

Enclosed is the Dec/Jan calendar, we have tried to accommodate everyone, please remember that even though you don't have to shoot, the Centre is functional, you don't have to book in for a competition and they are all run by our volunteers, so come on in and enjoy a shoot over the holidays.

If you're looking for a unique Christmas present to give, our Try Shooting Program is now up and running again, we have Rifle, Pistol and Pistol & Rifle combo packages available as a gift voucher, they can be purchased online by emailing info@stmarys.ssaa.org.au

All the very best for the festive season everyone, hope you have great time with your family and friends, stay safe here's to 2021.
