28  10.30am Novice			<p><b>Attention – Novice and Trainees members.</b></p> <p>Due to COVID 19, pistol courses ceased in March 2020 and novice and trainee events were only recommenced fairly recently. The backlog of those members in training has now been reduced to such a degree that Novice and Trainee calendar events will now only need to have two Range Officers in attendance. Of late we have only had 2-6 Novice trainees attend per match; hence the reduction of assigning the valuable time of our volunteer Range Officers.</p>
