Phone: (02) 8889 0409

11th October 2021

Dear Member,

After more than 100 days of restrictions NSW is re-opening. Our host range, St Marys Indoor Shooting Centre, will be reopening this week in several stages with the following measures to be adhered to.

- All Staff, Members & Guests must provide personal contact details via the Service NSW QR Code when entering the range.
- Masks must be worn inside.
- St Marys Indoor Shooting Centre will be operating under capacity restrictions - One person per 4sqm inside.
- Only fully vaccinated persons over 16 years of age will initially be able to enter the range. Juniors under the eligible age for vaccination will be permitted but must be accompanied by a vaccinated guardian.
- Any individual (Staff, Member, Visitor and Contractors) who cannot show proof of vaccination will not be permitted to shoot at the range (until 1st December). They will be able to access their locker or make any essential purchases at the retail counter prior to 1st December.
- Customers with a genuine vaccine exemption will be permitted to enter the building.

The above measures have been put in place by the NSW Government. Aggressive behaviour will not be tolerated. Patience and respect will help ensure we can participate in our sport in a safe and enjoyable manner.

Key dates:

- | | |
|-------------|---|
| October 13: | Open for retail business and safe storage access |
| October 25: | Open for regular shooting activities |
| November 1: | St Marys Pistol Club Competitions to resume. (Calendar will be sent out separately) |
| December 1: | Open to unvaccinated Staff, Members and Guests |

Please see the St Marys Indoor Shooting Centre website and Facebook pages for latest updates.

NSW Firearms Registry

At this point of time NSW Firearms Registry has provided no further update on COVID-19 relief for firearms licence holders.

https://www.police.nsw.gov.au/online_services/firearms/news_and_events

Attendance Policy

The SMPC Attendance Policy will remain in a suspended status pending ongoing review. Members are encouraged to return to competition and own time attendances where possible.

Pistol Course

The shutdowns have resulted in a long waiting list for the Pistol Safe Handling Course. As plans are firmed up to continue the courses those members on the waiting list will be contacted.

Admin Office

From October 25 the admin office will be open and operating normal hours. Monday, Wednesday and Friday
09:30am to 5:00pm

Thank you

SMPC Committee
