

SSAA St Marys Pistol Club

PO Box 983, St Marys, NSW 1790
Phone: (02) 8889 0409

Dear Member,

Welcome to April, we hope you have survived the recent bout of wet weather!!!

SMPC Attendance Policy

In March we advised members that the suspension of the SMPC Attendance Policy would be lifted from 1st April 2022. We are now back to our standard “pre COVID” attendance requirements. If you have any questions, please contact the Admin Office pistol@stmarys.ssaa.org.au

For some members it may have been some time since they were last able to attend the range. Now is a timely reminder to ensure that your safe handlings skills and appropriate social distancing are at front of mind. Any inappropriate behaviour towards any member, employee or customer at the range will not be tolerated.

Attendances/Scores

We are reviewing and updating the Attendance and Score sheets used in our matches. It is important to ensure that your name, club number and score(s) are clearly written on the Attendance sheet which is used to update the scoring file. Under NSW firearms legislation an attendance is defined as either training (e.g. Novice) or a competition where scores are recorded.

Membership Renewals.

In April, the membership renewal process will start. This is typically the busiest time for the Admin Office so please bear that in mind. Most of our members receive their newsletters via email, with a small number still getting them via postal mail. If you would like to receive your newsletters via email please contact the Admin Office on pistol@stmarys.ssaa.org.au or 02 8889 0409. If you need to update your SSAA Branch membership details you can do so at <https://membership.ssaa.org.au/forms/change>

Renewal forms will go out mid-April and need to be processed before June 30th 2022. Having a current pistol club membership is a genuine reason for holding a category H licence. All members who do not renew by 30th June 2022 are required to be reported to NSW Firearms Registry during the first week of July 2022.

SMPC Annual General Meeting

We will be looking to hold our AGM in the September/October period. Future newsletters will provide more information as we confirm the date.

Member Feedback/Suggestions

We have 2 email accounts managed by the committee to receive feedback and suggestions.

All emails received to these accounts, and detail submitted via online form, can only be accessed by committee members, and will be treated confidentially. Note the online forms are anonymous therefore a direct reply is not possible unless you leave your contact details.

1. Feedback via email Feedback@ssaasmpc.com or online form <https://forms.office.com/r/Bceg30Lmgh>

This account can be used to provide general feedback. For example:

Recognise a member/RSO that may have helped you out.

Let us know if there are any matches you would like to see more or less of in the SMISC events calendar.

2. Suggestions via Suggestions@ssaasmpc.com or online form <https://forms.office.com/r/bGWKb3W2yn>

This account is like a “suggestions box” where you can provide suggestions on club/general activities and how they could be done better or differently.

The pistol@stmarys.ssaa.org.au email account is still in use for general admin queries.

SMPC Admin Hours

SMPC Admin Office is open on Monday, Wednesday, and Friday 9:30am to 5pm

Please note the following dates where St Marys Indoor Shooting Centre will be closed or closing early
